December 1, 2022

Hello,

On May 7 and 8, 2022, Valley Fest will present an outdoor festival for the eleventh time. Once again, the festival will **charge no admission** to make it accessible to as many community members and visitors as possible. The festival provides not only great music and family fun, it brings valley residents together to create a unique community event. They are very proud of it. We expect more than 3,000 people to attend.

As you may already know, Valley Fest recently received a \$400,000 anonymous donation. The donation's use is limited to making capital improvements to the festival property so it can be used by community residents and visitors or other organizations year round. The donated funds may not be used for operating expenses, like mounting the May festival. Valley Fest, a 501(c)(3) non-profit, must continue to look to generous donors like you for funds to produce the May festival. We want to continue to give the community the gift of an admission-free music festival, and we cannot do this without your help.

Please participate in giving this gift to the community by continuing to be a major sponsor. Free admission is only possible with your monetary support. Review the enclosed sponsorship tier description to find the contribution level which is right for you. The sponsorship deadline is **March 15** so signs can be completed in time. Please use the enclosed form to indicate your sponsorship level and to provide your name, address, and phone number.

We look forward to your joining us to make Valley Fest 2022 the best festival ever!

Respectfully,

Paulette Hamilton, Chairman

Ethan Loyd, Committee Member

Jessica Austin, Committee Member
